

## CURRICULUM VITAE

**Family Name:** Fahim      **First Name:** Radamis Botros

**Date and Place of Birth:** Cairo, Egypt – March 4, 1928

---

<b>Education:</b>	<b>Name, Place, Country</b>	<b>Years Attended</b>	<b>Degree and Date</b>
University	Faculty of Science Cairo University, Egypt	1945 – 1949	B.Sc. Chemistry 1 <sup>st</sup> Class Honors July, 1949
	University of Cambridge Cambridge, England, UK	1951 – 1955	Ph.D. Physical Chemistry, March, 1955
<b>Dissertation Title:</b>	Kinetics and mechanism of certain reactions of methyl halides in Solution (Supervisor: Moelwyn-Hughes)		
<b>Languages:</b>	<b>A.</b> Mother tongue: Arabic <b>B.</b> Education: English <b>C.</b> Ability to speak: French and German		
<b>Field of Research:</b>	<b>Major:</b> Physical Chemistry <b>Branch:</b> Surface Chemistry (Solid/gas interface), Solid state chemistry and Activity of Catalysts		
<b>Present Position:</b>	Professor of Physical Chemistry, Life Science Division, Ferrum College, Ferrum , VA, USA		

**Previous Positions:**

<b>Post</b>	<b>Place</b>	<b>Date of Appo.</b>
<b>Demonstrator</b>	Chem. Dept., CairoUniv.	Sept., 1949
<b>Lecturer</b> Phys. Chemistry	Chem. Dept., Assiut Univ.	July, 1956
<b>Associate Professor</b> Phys. Chem.	Chem. Dept., Assiut Univ.	July, 1960
<b>Professor</b> Phys. Chem.	Chem. Dept., Assiut Univ.	Dec., 1970
<b>Founder Dean</b> Faculty of science	Minia University, Egypt	Nov., 1974 - Nov., 1977
<b>Consultant</b>	Supreme Council of Egyptian Universities	Nov., 1977 – June, 1978
<b>Head</b> Chemistry Dept.	Faculty of Science Minia University	June, 1978 – August, 1981
<b>Professor</b> (on delegation)	Egyptian Air Force Academy	August, 1987
<b>Professor</b> Phys. Chem.	Faculty of Science Minia University	August, 1988
<b>Leaves for Research:</b>		
<b>Place</b> Technological Univ. Delft, NL	<b>Period</b> 1962 – 1963	<b>Collaborator</b> Prof. Dr. J.H. DeBoer

Brunel University Englanf, UK	1974	Prof. K.S.W. Sing
Technological Univ. Hannover, FRG	1974, 1977, 1978	Prof. Dr. R. Haul
East Anglia Univ. England, UK	1987	Prof. N. Sheppard

**Leaves for Teaching:**

- Visiting professor of chemistry to Arkansas University, AR, USA, during 2 years, 1981-1983, on Fulbright Foundation Grant.

**International Conferences Attended:**

- Thermochemistry of divided solids, Marseille, France, June, 1971
- 6<sup>th</sup> International Congress of Catalysis, London, England, July, 1976.
- Colloque International du C.N.R.S. Sur l'adsorption aux interface gaz/solide, Ain-en-Province, France, September, 1971.
- World Conference on thermal analysis, Amsterdam, Holland, June, 1984;
- Chairman of same conference, Austria, May, 1985 and Portugal, May, 1986

**Research Activity:**

Major advisor of 10 Ph.D. students and 16 M.Sc. Students, generating several publications.

**Other Professional Activities:**

- Consultant to local chemical industries in Egypt.
- Organizer of Faculty Seminars of Universities of Assiut and Minia, Egypt.
- External examiner at Khartoum University, Sudan, April 1978.
- Organizer of Chemistry Faculty Seminars at ASU, Fall Term, 1981.
